## New Additions

Since our last color catalog, our firm has experienced much activity and growth. We've expanded our facilities and moved our offices to the new Greenville Avenue Bank Building. Our inventory is packed with many new coins, nearly all purchased within recent weeks. This catalog displays one of the most comprehensive listings of beautiful type and rare date coins, and a multitude of Morgan Dollars, many with mirror-like surfaces.

## A New Buyer

Again we are pleased to announce a new addition to our staff. Dave Berg, our new manager of our wholesale department, has been buying and selling coins for over fifteen years. It is through his buying talents that we

are able to increase the selection of beautiful coins in this catalog. Dave is a very active buyer, and is constantly looking to purchase coins for our inventory. If you have coins you would like to sell, send them to Dave. He's anxious to buy and will make you a very handsome offer for your coins.

## New Coins—New Catalogs

Because of our increased buying activity and the many new coins we have in inventory, we've increased the frequency of our catalog mailings. You should receive updates on our inventory approximately every two to three weeks. Each mailing will have the most updated listing of our inventory so that you will continually have the opportunity to buy the coins you need.

## Our Guarantee

We guarantee that coins purchased from us are graded correctly and will meet our high standards when you wish to sell them. Further, we guarantee to purchase these coins at the same grade as they were sold, and if you request auction for disposal of your collection, Steve Ivy Numismatic Auctions, Inc. will catalog your coins at the same grade which you purchased them.

We further guarantee the authenticity of all coins listed. As proof of our certainty that no counterfeit or altered coin can escape our attention, we will guarantee to refund full purchase price plus 10% interest per year on any non-authentic coin sold by Steve Ivy Rare Coin Co.

Dear Customer and Friend:

Welcome to our latest full-color catalog! We are pleased to announce that professional numismatist Dave Berg has joined our firm. Dave has moved to Dallas with his wife, Karen, and their two children from Pittsburgh, Pennsylvania. Dave has earned an excellent reputation and acquired a solid background in United States coins during his years in the coin business. His specialties are type coins and Patterns.

As you can see, Steve Ivy Rare Coin Co. has enjoyed substantial growth during the last year. We've moved and enlarged our offices, made valuable additions of personnel, installed the most modern computer equipment available, and made all the changes we think necessary to continue to give you, our customer, the quality of coins and service you expect from us. And we are proud of our record!

We are confident that the coin market is in the early stages of the strongest sustained growth period it has ever undergone. Notice we say "is", not "ready to be" or "looks as if it might". The signs are all present—a broad market base, a scarcity of quality coins, revived collector and investor interest, lackluster performance by the stock market and other investment areas, continuing inflation, and numerous other factors.

It's the job of the professionals at Steve Ivy Rare Coin Co. to be on top of all market factors at all times. You don't have to do elaborate research or become a specialized numismatist to enjoy collecting rare coins. We do it for you! And the professionals say that now is the best time in many years to invest. Prices are definitely on the rise, so don't wait too long! If you would like some investment advice, don't hesitate to call and ask for me on our WATS line. I would enjoy chatting with you.

Sincerely,

Ron Howard

## HALF DIMES

### Exquisite 1797 Half Dime

1797 Gem BU (65) The most incredible example of this date and type we have ever encountered. While not being fully struck, it is as strong a strike as we have ever seen for this coin. Under strong magnification, the coin shows no defects whatsoever. One die break bisects the obverse, but it only adds another dimension to this already remarkable coin. This coin surfaced at this year's A.N.A. Convention and came from Europe in recent months. It has no doubt been there for most of its existence. As mentioned, the coin is well struck and richly toned in primarily golds and browns. A once in a lifetime opportunity for the connoisseur of fine coins. (see color photo). . . . . 9,750.00

## QUARTER EAGLES

### Prohibitively Rare Early Quarter Eagle

1798 Ch AU (55+) Wide date, five berries. Of immense importance because of its rarity and condition. Incredibly well struck for this date, so much so that the amount of detail apparent surely surpasses that visible on the few pieces that may exist in Mint State. The obverse is completely free of any nicks, scratches, or adjustment marks. The shield lines are bold and completely separated. The eagle's breast and wingtips are full. Both obverse and reverse surfaces are prooflike. Dave Aker's research testifies to the rarity of this piece, as it shows no specimen cataloged as Uncirculated has appeared at auction since 1963. We are proud to offer this exciting coin. (see color photo) . . . . .	8,500.00
--	----------

1808 Ch AU (50+) This is the third nicest example of this rare and elusive type coin we have ever encountered. It is quite well struck and has very nice mint luster. . . . .	16,500.00

## Excessively Rare "Amazonian" Dollar in Aluminum

J-1207 Ch Proof (60+) 1872 \$1 in aluminum. The Amazonian design. R-8. The finest known, and possibly unique. A rarity of the highest magnitude. (see color photo). . . . . 14,500.00

J-1604 Gem Proof (65+) 1879 \$1. Copper, R.E., R-6. Superb! The famous Washlady design. A gorgeous coin with beautiful toning. While other Patterns sometimes have a tendency to go up and down in value, this coin keeps going up. (see color photo). . . . 5,950.00

## Extremely Important Trio of Snowden Dollars

J-1747 Gem Proof (65) 1885 \$1. Silver, L.E., R-5. The popular Snowden Dollar. A perfect coin for someone who wishes to expand their Morgan Dollar collection. (see color photo). . . . . 4,950.00

J-1748 Gem Proof (65) 1885 \$1. Copper, R-6. Lovely toning. Very attractive. (see color photo). . . . 3,900.00

J-1749 Gem Proof (65+) 1885 \$1 in aluminum. Superb! The final member of this fantastic trio of Lettered Edge Snowden Dollars. We have certainly enjoyed bringing these three lovely pieces together and, while they are offered individually, we hope someone will do American numismatics (as well as themselves) a great service by purchasing all three. This aluminum piece is the rarest of all Snowden Dollars. (see color photo). . . . 6,500.00

### Pattern One-Dollar Gold

J-1733 Gem Proof (65) 1884 \$1. Struck in copper. Regular dies trial. R.E., R-8. Extremely rare . . . . . 1,750.00

### Pattern Four Dollar Gold

## A Marvelous Pair of Stellas Struck in Copper.

J-1636 Gem Proof (65) 1879 \$4. The famous "Stella" struck in copper. Flowing Hair. Exactly the same design as the gold issue. When one considers the purchase of this piece, he must remember that all Stellas are Patterns, and that this copper Pattern is about thirty times rarer than its gold counterpart. This coin has beautiful surfaces and a full wire rim. Not gilt, as many of the few known specimens have been. (see color photo) . . . . . 7,500.00

J-1639 Gem Proof (65) 1880 \$4. Flowing Hair Stella in copper. Similar in rarity, quality, and appearance to J-1636. Also rarer than the gold coin from the same dies. The price of this rarity is a numismatic anomaly, since a pair of 1880 Flowing Hairs have been offered at \$49,500 each in recent months. An important and historic item. (see color photo) . . . . . 9,250.00

### Pattern Half Eagles

J-775 Ch Proof (60+) 1869 \$5. Struck in copper. Regular dies trial. R.E., R-7 . . . . . 1,250.00

J-1372 Gem Proof (65) 1874 \$5. Struck in aluminum. Regular dies trial. R.E., R-7. . . . . 1,350.00

J-1484 Gem Proof (65) 1876 \$5. Struck in copper. Regular dies trial. R.E., R-7. Richly toned. . . . . 1,500.00

### Pattern Territorial Gold

1860 Ch Proof (60+) Pikes Peak \$10. Copper Pattern of the famous "Mountain Eagle" struck by Clark, Gruber, & Company. . . . . 1,950.00

## SPECIAL COMMEMORATIVES

Isabella 25c Gem BU (65+) 1893. Superb! Gorgeous toning and surfaces . . . . . 425.00

Isabella 25c Gem Proof (70) 1893. The magnificent blending of colors in the toning of this Gem appear to have been created by an artist. The sheer perfection of the piece defies wordly description . . . . . 1,950.00

Alabama 50c Gem BU (65+) 1921. Superb! From an original roll recently purchased on a trip to the deep South. Superior strike and luster . . . . . 350.00

# Commemorative Halves

## Choice Brilliant Uncirculated (60+)

A Commemorative issue which has seen no circulation and has full luster. The coin will be completely as struck. The coin may have bagmarks which were acquired through normal handling through the years. Commemoratives in this grade are of better than average quality uncirculated specimens.

## Gem Brilliant Uncirculated (65)

This is an uncirculated coin which has a strong strike for the issue and a minimum number of bagmarks. These coins will have full brilliance, but may be naturally toned. Commemoratives are seldom found any better than this. In short, coins which meet this grade are the finest quality available on the market.

# Color is for results.

When selling our consignors' coins, our main objective is to realize the highest possible price for the total consignment. We know that in order to accomplish this objective we must sell as many coins as possible to retail collectors and not wholesale to dealers. We also know that the auction catalog is the only source available to the retail mail bidders to make their purchasing decisions. Because of these facts we believe that the auction catalog should show the most appealing representations of the coins being sold. And color does this best.

**Color is accurate.** Color photography is the only way to depict the coin with the precision necessary for mail bidders to bid with great confidence. The color pictures show detail, relief, strike, and most importantly color. With this kind of information, the mail bidder can bid more aggressively because he knows exactly what he is buying.

**Color is beautiful.** In order to realize the highest possible prices, your coins must be pictured in the most pleasing and complimentary manner available. Our color catalog allows your coins to exhibit their natural beauty using the most sophisticated color printing techniques. Now a toned Proof can be seen, and the attractive blues, greens, and golds appreciated.

**Color is reality.** With the exception of holding the coin in his hand, the mail bidder has no better way to see the exact appearance of the coin than with color. Our color photographs depict the coin as it is. This allows the true quality of the coin to be observed, and consequently a

confident bid can be submitted according to that true quality.

**Color is for results.** Our all color catalog gives the retail mail bidder the best possible reference to make his bidding decisions with a high degree of confidence. This is supported by the fact that over 40% of all the coins in our auctions sell to mail bidders. This record level of retail mail bid participation and our color catalog insures you of receiving the best results when selling your coins.

Let us put our all color catalog to work for you. Call our Auction Director Bob Merrill today, toll free, at 1-800-527-4503. He'll tell you how you can get the best results using our beautiful color catalog.
